HOME PAGE

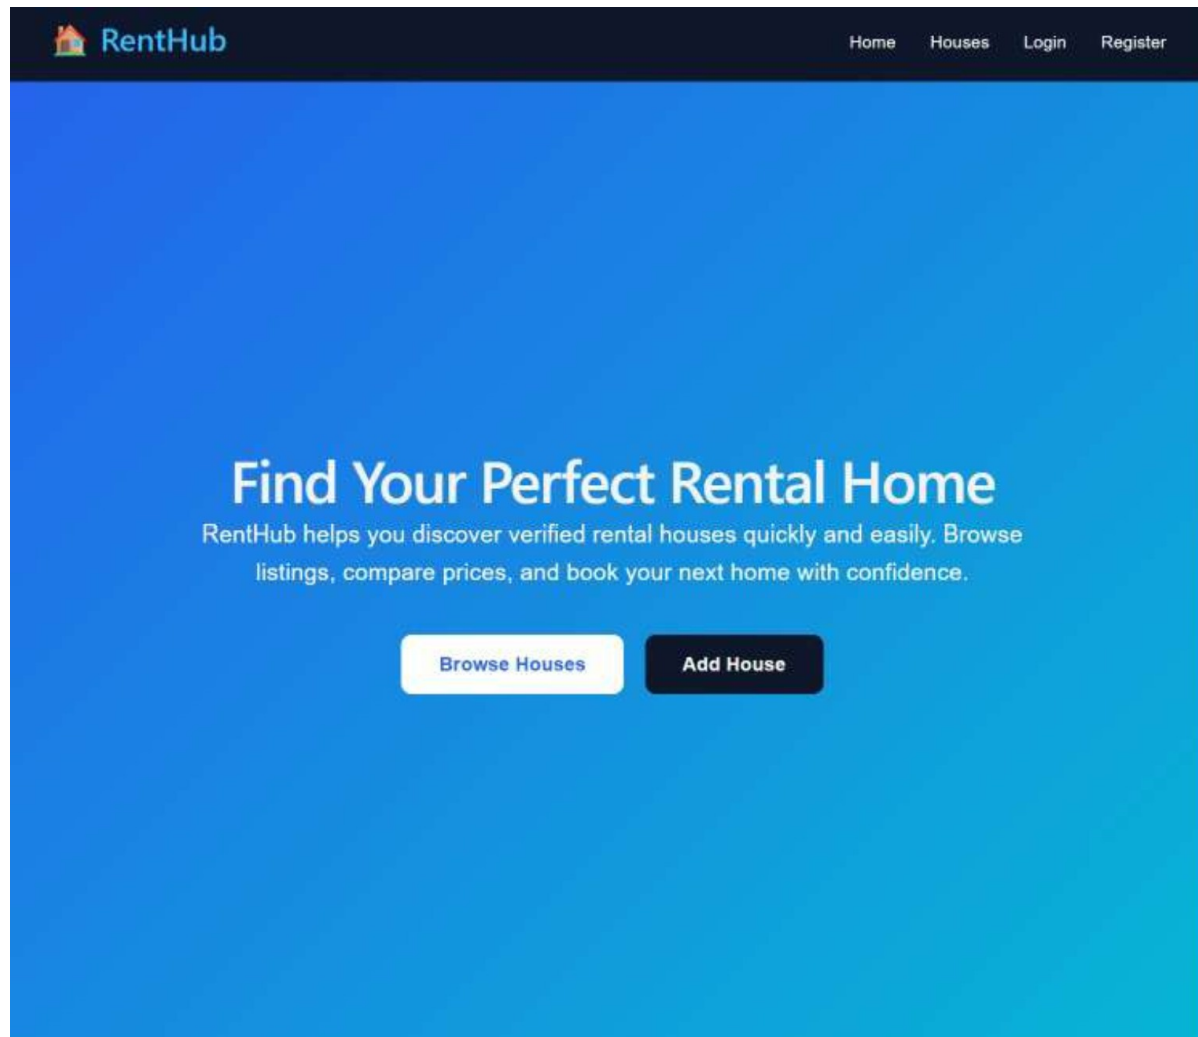

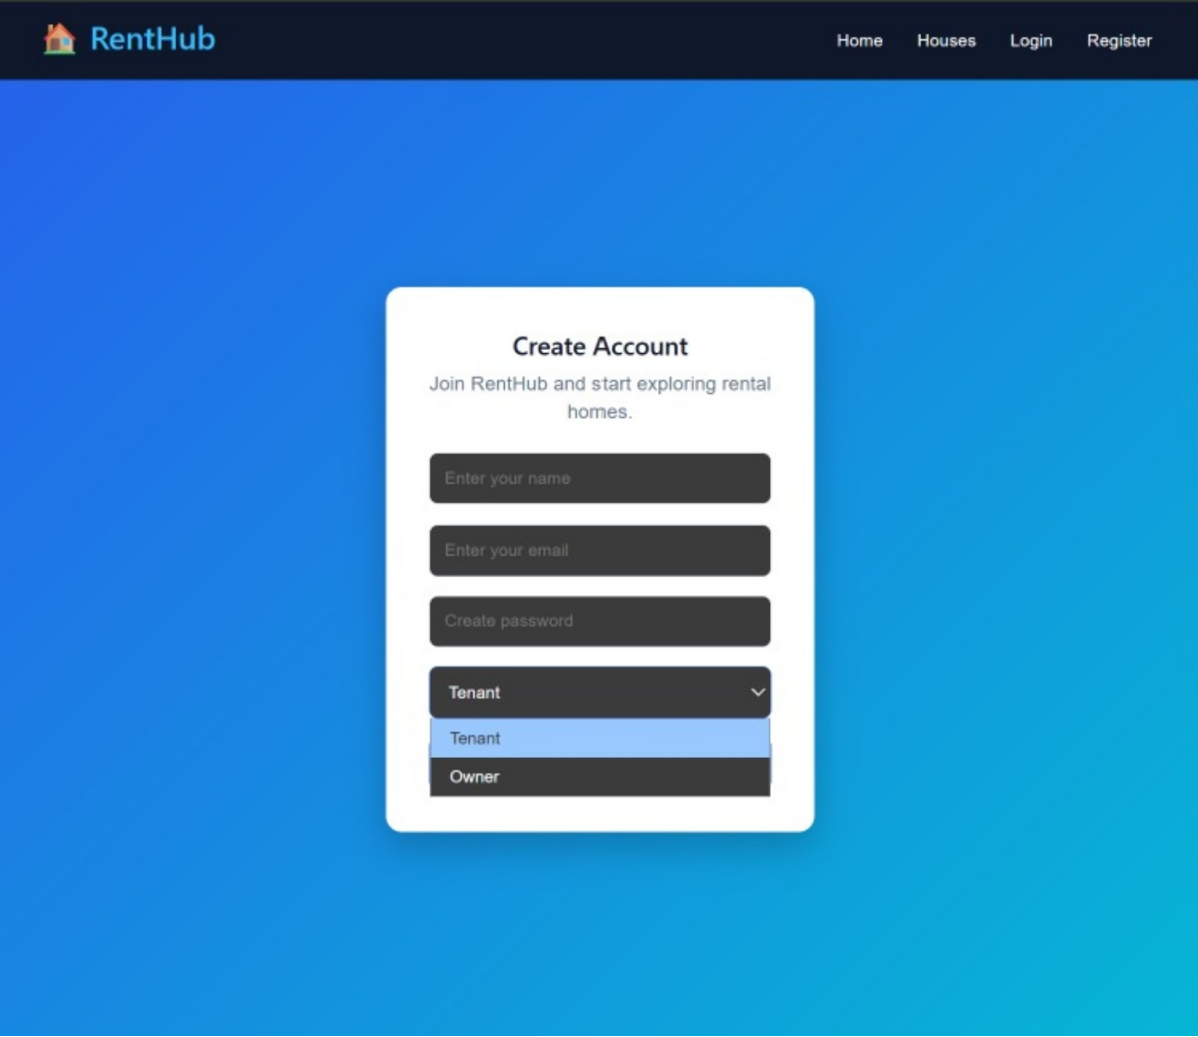

Figure 1: Home Page

The Home Page is the landing page of the RentHub application. It provides navigation to browse available rental houses and access the Add House functionality.

DEMO

USER REGISTRATION PAGE

The screenshot shows the RentHub user registration page. At the top, a dark blue header contains the RentHub logo on the left and navigation links for Home, Houses, Login, and Register on the right. The main background is a blue gradient. In the center, a white rounded rectangle contains the 'Create Account' form. The form includes a title, a descriptive sentence, and four input fields: name, email, password, and a role selector. The role selector is a dropdown menu with 'Tenant' selected and highlighted in light blue, and 'Owner' as an alternative option.

AVAILABLE HOUSES PAGE

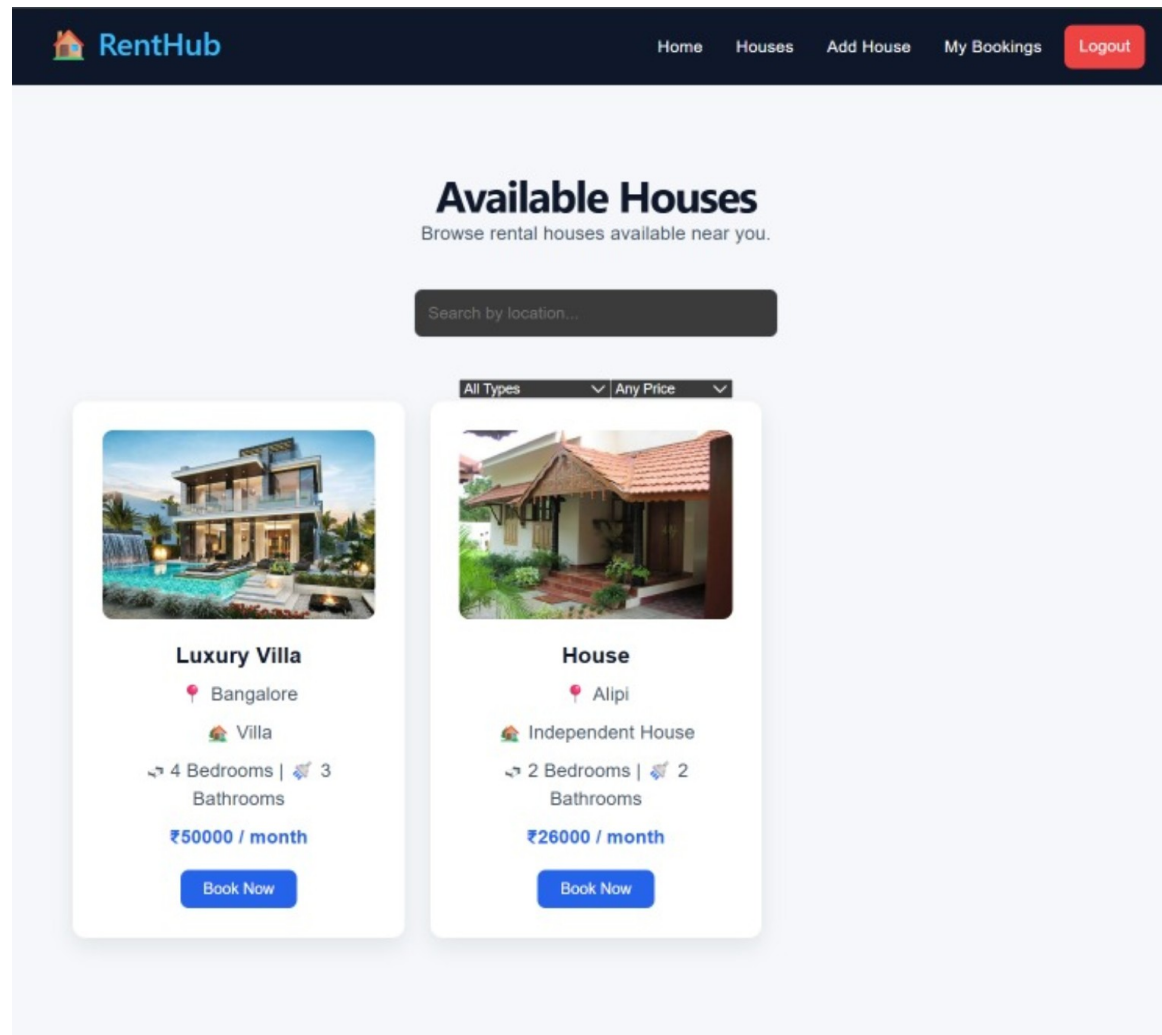

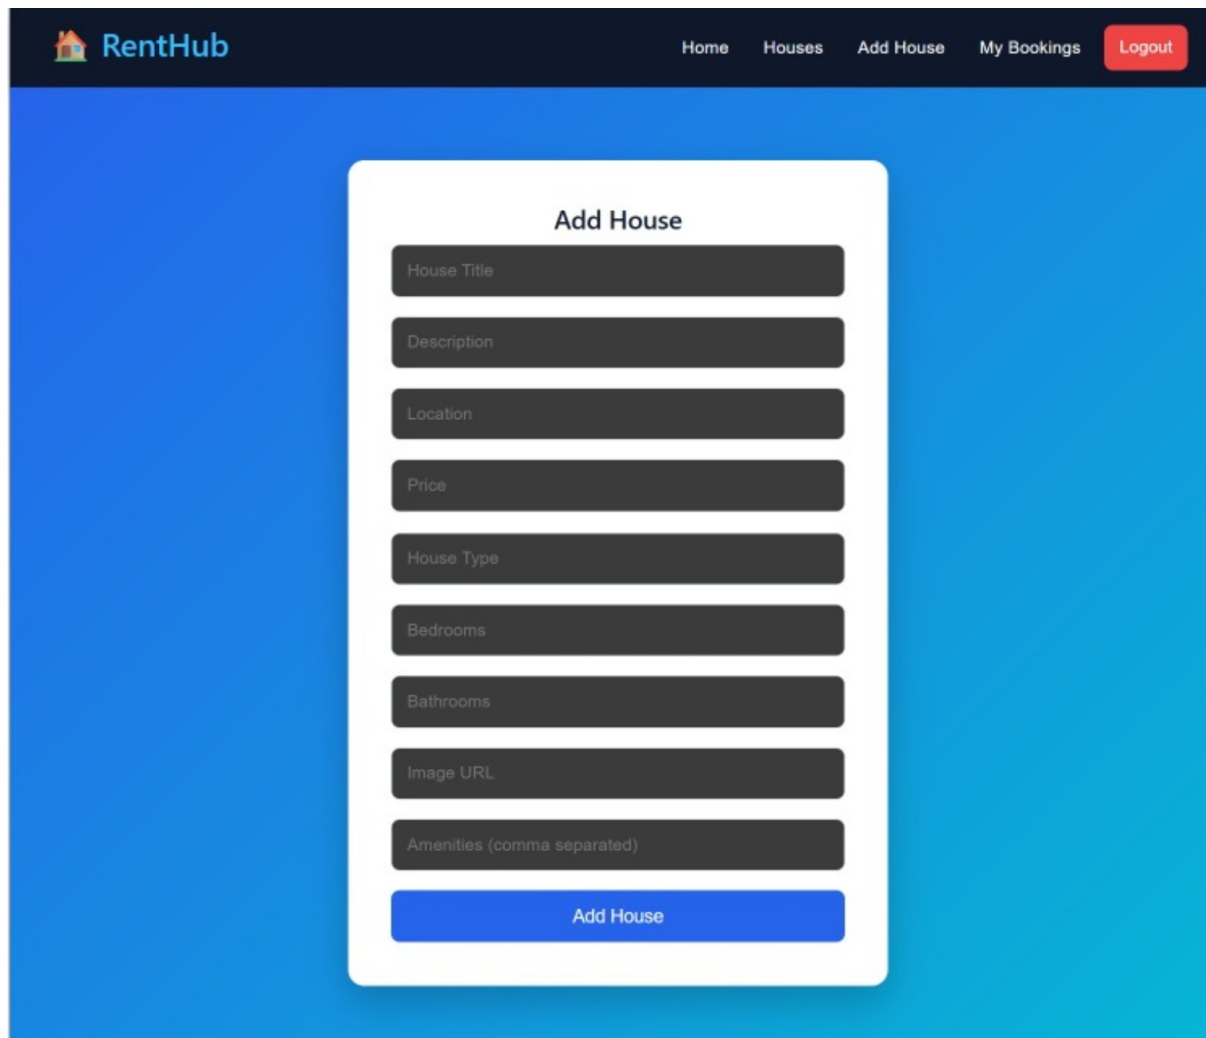

Figure 4: Available Houses Page

The Available Houses Page displays rental property listings with location, house type, bedrooms, bathrooms and monthly rent. Users can search by location, apply filters and book a house.

DEMO

ADD HOUSE PAGE

The screenshot shows the 'Add House' page of the RentHub application. The page has a dark blue header with the RentHub logo and navigation links: Home, Houses, Add House, My Bookings, and a red Logout button. The main content area has a blue gradient background. In the center is a white rounded rectangle containing the 'Add House' form. The form consists of ten input fields: House Title, Description, Location, Price, House Type, Bedrooms, Bathrooms, Image URL, and Amenities (comma separated). At the bottom of the form is a blue 'Add House' button.
